Appoquinimink School District

Permission to Participate in Work-Based Learning

Your student has an opportunity to participate in a work-based learning experience that is off campus through their Pathway program at Appoquinimink High School or Middletown High School. These experiences **may** take place during the summer, the school day, after school, or on the weekend. Your student will leave campus to work, volunteer, shadow, or otherwise participate with an industry professional. Students will provide their own transportation to and from the worksite. If a student is completing a practicum experience in their Level 4 course, they may leave school during the scheduled class time to complete this work-based learning experience. They may also have an opportunity to leave campus periodically to complete an experience but shall report to scheduled class times on other days. Each work-based learning experience will be individualized to meet the needs of the student. Please sign below indicating your student has permission to participate in an off campus experience and to leave campus during the school day to complete their work-based learning experience. If you have any questions, please contact your school's Work-Based Learning Specialist or your student's Level 4 Pathway teacher. Thank you for your continued support!

Please sign below indicating your student has permission to participate in an off campus work-based learning experience.

I understand that my son/daughter may participate in a work-based learning experience off campus this summer. If during the school year, my student may leave campus during the school day to complete their work-based learning experience. I agree that my student will provide their own transportation to and from their placement.

Student Name: _____

Parent/Guardian Signature: _____

Dates:
September 2021-May 2022
