The Health Science Educator

August 2021/September 2021

About NCHSE

NCHSE, the authority for health science education, provides collaborative relationships to enhance and positively impact the lives of students interested in health professions.

NCHSE advances the framework of health science education. The mission is to provide leadership and professional development for health science education through collaboration among education, publishers and resource providers, healthcare industry, and professional organizations.

Health Science Educators Association (HSEA) Member Benefits

Exclusive classroom resources: lesson plans, PPTs, activities, projects and assessments items shared through a Google Drive

Professional Development:

- National Health Science Conference
- Wednesday Webinars

Direct access to a community of classroom teachers (1200+) and health science state leaders (33)

Free Facebook Group: 1.4 K members

Point of influence with NCHSE partners: 22 publishers and educational resource providers

Quarterly newsletters

Health science education programs accomplishments and challenges

Member discounts on NCHSE resources
member discounts: Health Science Enhancements and Work-based Learning Guide

Participation in NCHSE special projects

Leadership opportunities through services as HSEA officers and special committees

NCHSE CORE VALUES

Networking and Collaboration | Career Development | Health Science Framework
Standards for Quality | Education for Future Health Professionals

The 411

Enhanced HSEA Google Drive: A new invitation to access these exclusive classroom resources will be emailed to all current HSEA members in early October. ***New Content for the 2021-2022 year.***

The completely revised **NCHSE Work-based Learning** Guide – Version 4.0 will be released in September 2021 and available on the online store. Join a free Wednesday Webinar, September 15, 4:00 PM (ET) to highlight use of the new guide and decide whether this would benefit your program.

[Register](#)

Leadership Opportunities: Consider providing a **webinar**, submitting **workshop proposals** for the National Health Science Conference (accepting through this week) and/or being a **HSEA officer candidate** for the October elections. *We are excited to welcome Toni McLemore into the office of President at the October HSEA meeting at the NCHSE conference. The office of President includes a seat on the NCHSE Board to be the voice for classroom teachers.*

HSEA Annual Meeting: Scheduled **Thursday, October 28, 2021, 12:15 PM (ET)**, at the National Health Science Conference during the lunch general session. A virtual attendance option is planned.

Upcoming Events

HSEA Teacher Boot Camp

Saturday September 25, 1:00-5:00 p.m. (ET)

Description: Are you a new teacher or a teacher in need of inspiration? This free **Teacher Boot Camp** will feature a series of five 45 minutes sessions throughout a 4-hour period. A team of teachers will share ideas to assist you in planning and producing effective health science education lessons and practices. Participants will be eligible for up to four professional development contact hours.

TEACHER BOOT CAMP

SATURDAY, SEPTEMBER 25, 2021, 1:00 – 5:00 PM (EST)

FREE TO ALL HEALTH SCIENCE EDUCATORS

Description: Are you a new teacher or a teacher in need of inspiration? Want to create impactful health science classroom experiences for your students? HSEA is sponsoring the Teacher Boot Camp, a series of five 45 minutes sessions throughout a 4-hour period. The afternoon will feature a team of teachers sharing ideas to assist you in planning and producing effective health science education lessons and practices. Participants will be eligible for up to four professional development contact hours.

[Register in advance](#)

Attendees may drop in throughout the 4-hour camp selecting sessions of interest.

Sessions will begin every 45 minutes.
1:00 PM, 1:45 PM, 2:30 PM, 3:15 PM, 4:00 PM

Only one registration is required for all sessions.

After registering, you'll receive a confirmation email with login information. The camp will be recorded and posted at www.healthscienceconsortium.org/webinars
