NCHSE Newsletter Happy 2023!

Stay Up-to-Date with Spring Semester Events and More!

The National Consortium for Health Science Education, a non-profit education organization, represents state education agency leaders responsible for middle school, secondary, and postsecondary career technical education (CTE) health science programs. Established in 1991, NCHSE supports visionary leadership, promotes best practices, and speaks with one voice to promote career success for the next generation of health professionals. Through partnerships with publishers and resource providers, professional associations, certification providers and the Health Science Educators Association (HSEA), NCHSE is positioned as the national authority for health science education.

Katrina Haynes-Immediate Past President

A special thank you to Katrina Haynes, (South Carolina) HSEA Immediate Past President for all she had done for the teacher organization since its launch in 2018. Katrina's work to onboard new members, create the HSEA Facebook Group, contribute to the members exclusive classroom resources, and advocate for classroom teachers set HSEA on a quick path of success and membership explosion. As Katrina steps out of her role as Past-President, we know she will continue to be a valuable resource for all of us.

Educator Association (HSEA) Officers

Let us congratulate **Lissa Bartle** (Florida) on her new position as the HSEA President-Elect! It was a close election. We are very excited **Amanda Bolin** (South Carolina) will continue in her position as HSEA Secretary.

We look forward the leadership under the current officers:

Karen Edwards (SC) - President

Lissa Bartle (FL) - President-Elect

Amanda Bolin (SC) - Secretary

Toni McLemore (OK) - Past President
