

2023 NATIONAL HEALTH SCIENCE CONFERENCE AGENDA OVERVIEW

SEATTLE (WA) WESTIN

SUNDAY, OCTOBER 15, 2023

6:00 – 8:00 P.M. Conference Registration - Hotel Lobby

MONDAY, OCTOBER 16, 2023

8:00 – 9:00 A.M. Conference Registration

PRE-CONFERENCE PROFESSIONAL DEVELOPMENT SESSIONS

Breakfast & Lunch included.

The focus of these sessions will be on increasing engagement in your health science classrooms through high energy activities and new teaching strategies. Registration for the pre-conference will include both the outstanding sessions, in the morning and afternoon. Everyone gets to hear from both presenters.

9:00 A.M.– 4:00 P.M. SESSION TITLES

- **Activities in A Pinch: Denise Abbott and Robbie Rauzi**

This session will provide health science instructors with quick, interactive activities to their curriculum. The workshop includes activities in anatomy and physiology for all body systems, medical terminology, sports medicine, medical math, forensics, and literacy.

- **Learning Strategies – A Deep Dive: Kim Smith**

Today's teacher may have a wealth of instructional resources, but many are still teaching "old school." This session will give teachers a better understanding of the physiology of learning and memory to help them make better choices when planning classroom instruction.
