

# NCHSE Health Science Curriculum Enhancements

7.0 Version – Release Date September 2023

A woman with dark hair, wearing a light blue cardigan over a black top and a necklace with a square pendant, is looking towards the right. She is in a classroom. Behind her are several educational posters: a calendar with numbers 8, 9, and 10, a poster that says 'YESTERDAY WAS TUESDAY', and a poster with geometric shapes and the word 'Heart'. To her right is a whiteboard with handwritten text in red and green ink. The whiteboard text includes 'Need!', 'How many questions do I complete daily? (40)', a list of subjects (Math, English, Science, Reading), and 'Does my school offer a program I'm interested?'.

## Instructional strategies to deliver the National Health Science Standards

Complete Program **\$400** member states & HSEA members - **\$550** nonmembers  
Streamlined Program (updates version 6.0)  
**\$150** member states & HSEA - **\$200** nonmembers
