SPONSORSHIP OPPORTUNITIES 2025 NATIONAL HEALTH SCIENCE CONFERENCE

October 28-31, 2025
Cincinnati, Ohio

GREETINGS FROM NCHSE LEADERSHIP

NCHSE partners are essential to advancing our mission — to lead as the authority for health science education, offering a framework of standards and fostering meaningful collaboration that cultivates high-quality healthcare professionals.

With the support of strategic partnerships, NCHSE bridges the gap between industry and education, connecting you with top-performing health science educators nationwide. These educators are actively implementing and expanding programs that prepare students for successful careers in health professions.

In 2025, the National Health Science Conference will continue to offer unparalleled opportunities for partners and sponsors to network, build relationships, and contribute to our professional learning community. By supporting NCHSE, you join us in developing a superior healthcare workforce. Our offerings include industry-validated standards, comprehensive curriculum resources, and exceptional professional development — all culminating in an impactful annual conference.

Be a part of the solution to the healthcare workforce crisis. Your partnership with NCHSE can help address this critical shortage and inspire the next generation of healthcare professionals. Together, we can make a difference.

NANCY ALLEN
Executive Director

ANGEL CLARK
Board Chair

The National Consortium for Health Science Education, a non-profit education organization, represents state education agency leaders responsible for middle school, secondary, and postsecondary career technical education (CTE) health science programs.

Established in 1991, NCHSE supports visionary leadership, promotes best practices, and speaks with one voice to promote career success for the next generation of health professionals. Through partnerships with publishers and resource providers, professional associations, certification providers and the Health Science Educators Association (HSEA), NCHSE is positioned as the national authority for health science education.
